MANAGEMENT DISCUSSION & ANALYSIS REPORT

Annexure – ‘A’

(Forming part of Directors’ Report for the financial year ended 31st March, 2021)

Industry Structure and Development: India’s textile sector is one of the oldest industries in the Indian economy and has an overwhelming presence in the economic life of the country. It plays a vital role in employment generation, export earnings and in industrial output. India is among the few textile manufacturing countries in the world which is fully integrated from fiber to finished products.

Opportunities and Threats:

The future for the Indian textile industry looks promising, buoyed by strong domestic consumption. The long awaited National Textile policy to be announced shortly will further accelerate growth in this sector.

However, there are several challenges ahead for the Textile industry for enhancing its competitive strength and global positioning in terms of inflexible labour laws, poor infrastructure, and competition from low cost neighboring countries which will have to be addressed to sustain the growth momentum of the industry.

Non availability of skilled labours and increase in input costs like raw material and power poses a threat to textile industry in India.

Outlook : During the current year, it is expected that there will be a good demand of finished products of textiles in the domestic as well as export markets and the industry will be able to absorb the impact of rising input costs like power, labour, interest etc. The division is taking all efforts to improve the quality and productivity to remain competitive. In view of the above the outlook for the division seems to be stable.

Risks and Concerns: The continual increase in input costs such as raw material, power, labor, interest costs, shortage of skilled workers and uncertainty of global markets are main concerns of the textile industry.

Internal Control Systems and their Adequacy:

The company has laid down guidelines, procedures and policies for better management control which are periodically tested and supplemented by an extensive internal audit program. Significant findings are placed before the Audit Committee and the corrective measures are recommended for implementation. In the opinion of the management, the existing internal checks and controls are effective and adequate.

Information regarding Human Resources/ Industrial Relations: The relationships at both the Divisions were cordial with the employees throughout the year.

Cautionary Statement: The forward looking statements and the views expressed in the Management Discussion and Analysis Report are based on certain assumptions. The actual results, performances or achievements may differ materially from those stated therein. The Company would not be held liable, in any manner, if the future turns out to be quite different, even materially.

Independent Auditor's Report

To
The Members of
M/s. Nawratan Arts Limited.

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Nawratan Arts Limited (“the Company”), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, the statement of change in equity, the statement of Cash Flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013(‘the Act’) in the manner so required and gives a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its Profit, changes and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified u/s 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirement that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

INFORMATION OTHER THAN THE FINANCIAL STATEMENT AND AUDITOR'S REPORT THEREON

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements does not cover the other auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of internal

financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidated the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process..

AUDITORS' RESPONSIBILITY FOR THE AUDIT OF FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material i individually or in the aggregate, they could reasonably be expected to Influence the economic decisions of users taken on the basis of these financial statements

As part of an audit in accordance with SA we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may Involve collusion, forgery, Intentional omissions, misrepresentations, or the override of Internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Companies Act, 2013, we are also responsible for expressing your opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, Including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in Internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **NAWRATAN ARTS LIMITED** (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

We have audited the internal financial controls with reference to financial statements of **NAWRATAN ARTS LIMITED** (“the Company”) as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year then ended.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2021, based on the internal financial controls with reference to financial statements criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.(the “Guidance Note”).

Management’s Responsibility for Internal Financial Controls

The Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013, (hereinafter referred to as “the Act”).

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the

auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES ON FINANCIAL STATEMENT FOR THE YEAR ENDED ON 31ST MARCH, 2021

1. Statement of Significant accounting policies

A. Corporate Information

Nawratan Arts Limited 'the company' is an entity incorporated in India. The registered office of the Company is located at 119/B, Muktaram Babu Street, 2nd Floor, Kolkata – 700007.

B. Significant Accounting Policies

B.1 Statement of Compliance

The financial Statements of the Company have been prepared in accordance with the Indian Accounting Standard referred to as 'Ind AS' as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 with effect from April 1, 2018.

B.2 Basis of Preparation and Presentation

a) The 'Ind AS financial statements' has been prepared on historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period. Fair value is the price that would have been fetched to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measured date.

b) The preparation of the financial statements in conformity with the Ind AS, requires management to make judgements, estimates and assumptions that affect the application of accounting policies, the reported amounts of assets & liabilities and accompanying disclosures as at date of the Ind AS financial statements and the reported amounts of these revenues and expenses for the years under presentation. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates & assumptions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised or in the period of the revision and future periods depending upon the effects.

c) The recognition and measurement of provisions are based on the assessment of the probability of an outflow of resources and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the figure included in provisions.

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions (excluding retirement benefits and compensated leave) are not discounted to its present value and are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. These are reviewed at each reporting date adjusted to reflect the current best estimates.

d) In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, the same are treated as contingent liabilities.

Contingent liability is disclosed when the Company has a possible obligation or present obligation and it is probable that a cash flow will not be required to settle the obligation.

Contingent assets are not disclosed in the financial statements unless an inflow of economics benefits is probable.

B3. Revenue Recognition

Revenue from sale of goods is recognized, when the significant risks and rewards of ownership have transferred to the buyer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably. Revenue from the sale of goods is measured at the fair value of

the consideration received or receivable. Sales are presented net of trade allowance, rebate, duties & taxes if any except excise duty if applicable.

Other Revenue is recognized on accrual basis.

B4. Tax Expenses

The tax expense for the period comprises of current and deferred income tax. Taxes are recognized in Statement of Profit & Loss, except to the extent that it relates to items recognized in the Other Comprehensive Income (OCI) or directly in equity, in which case, the taxes are also recognized in Other Comprehensive Income or directly on equity respectively.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted/prevaling at the Balance Sheet date.

ii) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which liability is settled or the asset is realized, based on tax rates and tax laws that have been enacted and/or substantively enacted at the end of reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

B5. Financial Instruments & variables

(i) Recognition & Initial Measurement

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

(ii) Classification & Subsequent measurement

a) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into know amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

b) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financials assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

d) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

e) Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

f) Derivative financial instruments accounting

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently restated at their fair value. Derivatives are carried as financial assets so long as the fair values are positive and as financial liabilities when the fair value are negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss.

g) Investment in subsidiaries, joint venture and associates

Investment in subsidiaries, joint venture and associates is carried at cost in the financial statements.

(iii) Derecognition

a) Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

b) Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

(iv) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

B6. Earnings Per Share

Basic and Diluted Earnings per share is calculated by dividing the net profit attributable to equity shareholders by weighted average number of equity shares/dilutive potential equity shares outstanding as at end of the reporting period as the case may be.

B7. Cash Flow

Cash flows are reported using the Indirect Method, whereby profit/loss before tax is adjusted for the effect of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financial cash flows. Cash flows from operating, investing and financial activities of the Company are segregated based on the available information.

For the purpose of cash flow statement, Cash and cash equivalents comprise cash at banks and on hand and short-term deposits with an unexpired maturity of three months or less, which are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts, if any, Bank overdraft are disclosed within borrowings in current liabilities in the Balance Sheet.

a) Inventories

Stock-in-trade is valued at the lower of cost or net realisable value. Cost comprises of prime cost and other overheads incurred in bringing the inventories to their present location and condition computed on a moving weighted average basis.
